

MAINTENANCE PLAN GUIDE

take care of your vehicle's wear-and-tear and service items in one go

The plan runs for a set period of time (e.g. 3 years) or for a fixed number of kilometres (e.g. 45 000 km), whichever happens first. To ensure your plan stays intact, service your vehicle as per the Renault specifications.

what is a Renault Maintenance Plan?

This plan provides for the Renault-recommended scheduled services that your vehicle needs, including specific wear-and-tear components like wiper blades and brake pads. All maintenance repairs must be performed by a Renault approved repair facility, at the prescribed mileage intervals or annually - whichever happens first.

The Renault Maintenance Plan offers you convenient payment options so that you spend less time worrying about the costs of taking care of your vehicle and more time enjoying the open road.

The Renault Maintenance Plan is not a Warranty. A warranty provides for major unexpected mechanical breakdowns and electrical failures like engine or gearbox failure.

What is wear-and-tear?

Wear-and-tear is a term used to describe the gradual physical deterioration of various parts of the vehicle. Wear-and-tear happens naturally and is inevitable as a result of normal use and ageing.

how do you benefit?

This plan includes Renault specified services and wear-and-tear parts

- Only qualified technicians who use genuine Renault parts will service your vehicle
- Affordable monthly payment option to avoid paying large amounts at once
- The financial institution that finances your vehicle may be able to incorporate the payments for your plan into your monthly vehicle instalment

what does a Renault Maintenance Plan provide for?*

Service component

- Filters (oil, air, pollen, fuel)
- Oil & lubricants (engine, coolant, transmission, brake & clutch, differential)
- Spark plugs
- Sump plug gasket
- Workshop consumables
